Simulator Rules

- All players must wash their ball and clubs prior to each round. Any dirt on either will transfer to the screen. If you do not have a clean ball we have some for you to use. No Sharpie marks on any balls
- No cleats may be worn while using the simulator
- Must be at least 16 years of age to play

Course Settings for Play

Handicapping

- Handicap will be established after your first three rounds. They will continue to be adjusted every 3 rounds throughout the season. Once your team establishes a handicap after 6 rounds it will remain throughout the rest of the rounds
- Handicaps are based on league rounds only

Teams

- Teams will be made up of two players
- Each team will play one 9-hole round. League rounds may be played at any time but must be completed by the deadline provided
- Subs will be allowed and encouraged if you're unsure that you will not be able make it in to play, however we must be contacted prior to their round with your subs name. Subs will start out playing as a 0 handicap (if multiple rounds are played, handicap will form for them) PLEASE NOTE: Subs earn points toward your teams' total points. You can also use another League player for your sub and apply his handicap instead of a zero

Matches/Time Limits

- (1) 9-hole round will be scheduled each week
- Players can play as far as 1 round ahead. Example: Gregory needs to go out of town and will not have access to the Simulator for 1 week. His team could play that round before he leaves to stay current. He CAN NOT make the rounds up after those rounds are closed
- Group of 2 (One Team): 1.15 to complete 9-hole round
- Group of 4 (Two Teams): 2.5 Hours to complete 9-hole round

Score Reporting

You are required to take a picture of your final scorecard for that week and text it to Genesis Golf @ 717-746-7038 in addition to the League Manager

Each round must be completed by Friday, 5:00pm each week prior to the next week starting on Sunday. Standings will be published and posted each Sunday, except for the first 3 weeks as we establish a handicap.

No Mulligan's will be permitted at any time

- However, if the system has an error, please report to the staff member and they will set a mulligan for you. Scoring/Format Example: Player A and Player B are on a team. Player A is a 5 handicap and Player B is a 10 handicap. Player A shoots a 41, his handicap is subtracted from the total score, $41 - 5 = 36$. Player B shoots a 50, his handicap is subtracted from the total score, $50 - 10 = 40$. The score for team A/B is $36 + 40 = 76$
- **Scoring:** Each week, each team competes against all other teams in the league Example: If there are 10 teams in the league, the lowest net team total (70) will receive 10 points, the second lowest team net (73) receives 9 points, third lowest (76), 8 points, etc. The example team would get team A/B - 8 points for the week

Other Important Items

- Please be aware that movement near the tracks while the simulator is prepared to register a shot can cause a false shot. Mulligans are not allowed during play. In the event that you accidentally register a shot you must contact your facility management immediately. If you were on the putting green you will be given an automatic "two putt" from your previous position and your score will be manually corrected in the system
- In order to uphold the fairness of the league, this will be left to the discretion of league administrators
- To prevent this from happening, please be prompt in retrieving your ball or pick the ball up with your hand when going to retrieve it instead of dragging the ball back with a putter

Scoring/Point System

- Hole Win (1pt)
- Hole Halved (1/2pt)
- Hole Loss (0pt)
- Match Win (1pt)

If a team or team member cannot complete their round/s before the Friday deadline and can't find a substitute, the opposing team or team member will play against the course par for that week. Each player playing the course will earn a minimum of 3 points (or 6 points for team) but can earn more. PLEASE NOTE: Players/Teams are allowed to play ahead if needed.
